Following the publication of the Qualifications and Quality Assurance Education and Training Amendment Act (2019) ATU Donegal as a Designated Awarding Body derives, from law, the authority to make awards. All awards made by ATU Donegal as a Designated Awarding Body are included in the National Framework of Qualifications (NFQ). ATU Donegal ensures that learners have acquired the standard of knowledge, skill and competence associated with the NFQ level of an award. Awards developed by ATU are consistent with award standards as established by QQI.
